Dear Student

Re: Provisional grades and published grades summer 2021

I hope that you and your family are keeping safe and well and that you are enjoying the beautiful weather. I would like to take this opportunity to provide you with an update regarding how your grades will be shared with you over the coming weeks.

Provisional grades to be shared on 23rd June

On Wednesday 23rd June, you will receive your provisional grades for all Qualifications Wales approved GCSE, AS and A levels and Skills Challenge Certificates.

These provisional grades will be emailed to your school email account on this day so please ensure you know how to access your school email. You need to

- go to our school website;
- click on the heading **Interactive**;
- click **webmail cloud**;
- log in as you would in school.

Accompanying these provisional grades will be further information regarding how to request a review of a grade if you believe an error has been made when determining a particular grade.

Published results on 10th and 12th August

Grades for all qualifications will then be published on 10th August for Years 12 and Y13 and on 12th August for Years 10 and 11. Again, these grades will be emailed to your school email account and will be accompanied by information regarding how to request a review of a grade if you believe an error has been made.
