Dear Student,

We're delighted to be able to share your GCSE Mathematics and/or Mathematics-Numeracy results with you on 14th January 2021. These are a testament to your hard work and perseverance over many years.

I wanted to take the opportunity to explain how you will receive your results for GCSE Mathematics and/or Mathematics-Numeracy examinations sat in November. Unfortunately, you will be unable to collect your results from the school due to Covid-19 restrictions. As such your results will be sent to your school email address at 8am on Thursday 14th January 2021. Your results will also be sent in the post to your home address.

If you do not receive your results immediately, please do not panic. Please wait until 9am on Thursday 14th January and then, if you have still not received your results to your school email please contact:

techsupport@sjhs.newport.sch.uk

Congratulations again for everything you've already achieved in these most difficult of years.

Kind Regards,

St. Joseph's RC High School Mathematics department
