Dear Parents/Carers

Re: Examination update

As I am sure you are already aware, yesterday, Kirsty Williams, Education Minister, made the following statement in relation to the summer GCSE and A level Examinations:

“We recognise that there are no easy choices but we have agreed that the best way forward is not to proceed with summer exam series. Learners due to sit their GCSEs and A levels this summer will be awarded a fair grade to recognise their work, drawing on the range of information that is available.”

This is an incredibly difficult time for students and their families and I can assure you that we will keep you updated as this situation develops.

We fully understand the importance of students remaining engaged in their learning and we are advising students to continue with their studies, taking advantage of the resources shared by their teachers on Google Classroom.

In these unprecedented times, we will continue to share with you important information from Welsh Government and keep you updated about how we, as a school, will continue to provide the best education we can for your child.

Yours sincerely

Mrs J Jarrett
Headteacher
