Dear Parent/Carer,

Re: Distance Learning Survey

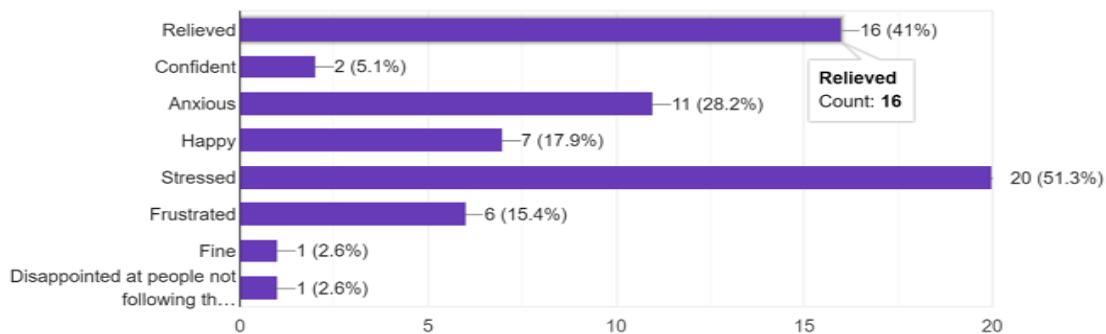

I hope that you and your family are safe and well and had an enjoyable weekend.

Firstly, please will you thank your child for taking the time to complete the Distance Learning survey. Feedback from parents, carers and students is vital, as it enables us to evaluate and modify our distance learning offer to ensure that our students are having the best learning opportunities possible.

The information we have received from this survey and previous surveys has been so helpful to us that we will continue to create regular opportunities to hear from our school community regarding how we can improve the quality of our distance learning.

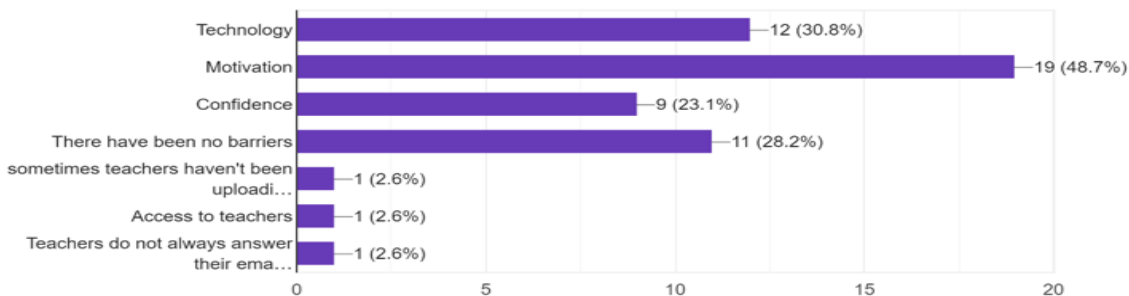

Now you are at the end of this period of self-isolation, how are you feeling?

39 responses

What barriers to learning have you experienced?

During self-isolation, how often were you accessing Google Classroom?

39 responses

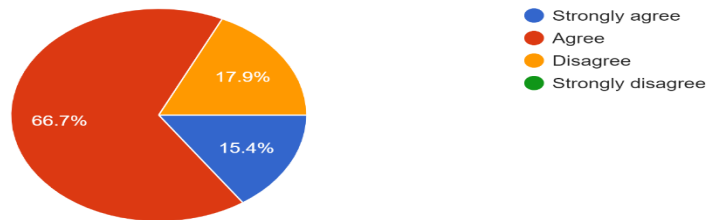

The amount of work being set was appropriate and manageable.

39 responses

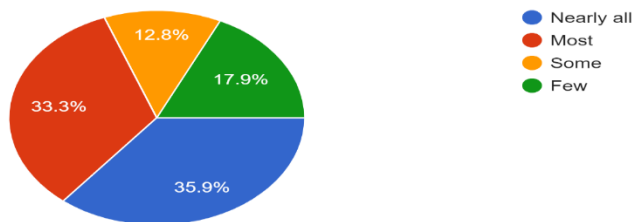

Explanations and instructions on Google Classroom were clear and enabled me to complete tasks.

39 responses

Did teachers respond to questions on Google Classroom or via email?

How many live sessions did you access? Both subject and wellbeing.

39 responses

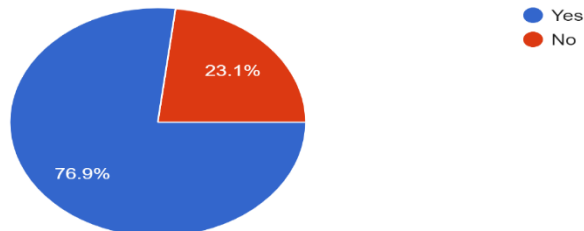

If you did not attend any live sessions offered, select your reason/s below.

39 responses

Did you find the live session helpful?

39 responses

As I mentioned above your feedback is very important to us and we are committed to acting on the feedback we receive. We place the wellbeing of our students at the heart of everything we do. From the survey, understandably at this uncertain time, Year 13 students found the period of self-isolation particularly stressful. In order to further support students, we will be adding a wellbeing section to Mr Ryan's Head of Year Google Classroom. We will also remind them of where they can access support when they are feeling worried or stressed and reassure them they can share their concerns with teachers via the private comment on Google Classroom or face to face in lessons.

We have shared your feedback with staff and to make effective use of our Google Classroom platform and to continue to develop our provision for live sessions, staff have been asked to:

- Include a range of pre-recorded video lessons to support students with explanations and tasks
- Ensure a message is placed on the Google Classroom class Stream letting pupils know when they are available to answer questions
- Post a message on the Google Classroom Stream reminding students of the specific time of each live session

On the [distance learning page](#) of our website, we have uploaded a step by step video guide to support students with:

- Accessing Google Classroom
- Joining classrooms
- Uploading work
- Uploading photos of work

Also please click [here](#) for a video guide showing students how to access a live session through Hwb and Microsoft Teams.

Yours sincerely

Mrs R Hanford

Assistant Headteacher
