Dear Parent/Carer

Re: Survey to gather views of parents/carers about school life

I hope this letter finds you well, as we move into the last week in school before our half term break. As a school, we recognise the importance of working in partnership with our students and with you, as parents and carers. We try to find as many opportunities as we can to ask you about your experiences and your child's experiences of school so that we can work together to provide our students with the very best learning experiences.

With this in mind, I have included here a link to a survey, aiming to gather your views about school life in general. This will be the first of a number of opportunities during the academic year for you to share your views with us. We take your views very seriously and we act on the information we gather, so thank you for spending a little of your time sharing with us this valuable information.

Please click [here](#) for the link to the survey, and submit the survey **by Monday 1 November 2021**.

At St Joseph's, we truly believe that it is only working in partnership with you that we are able to provide the very best education for your child, so thank you for your continued commitment, support and honest feedback.

Yours sincerely

J Morgan
Deputy Headteacher
