Dear parent(s)/carer(s)

Identifying and supporting young carers at *St Joseph's RC High School*

At *St Joseph's* we are aware that some of our pupils are young carers.

A young carer is someone under 18 who is caring, unpaid, for a family member, or friend, who is mentally or physically unwell, frail, disabled or who misuses substances.

They often take on practical and/or emotional caring responsibilities that would normally be expected of an adult.

Research suggests there are **at least** 800,000 young carers in the UK but many do not realise they are a young carer. This means there could be 6 young carers in a class of 30.

We know that young carers may need a little extra support to enjoy and do well at school. At *St Joseph's*, we are committed to ensuring that all pupils who are young carers are identified, and supported effectively.

We have a responsibility for ensuring all young carers are able to enjoy school and make good progress. If you think your child might be a young carer, or could be affected by any of the issues we've highlighted, please let your child's Head of Year know by filling in the form below and bringing it into school in a sealed envelope. If you do not feel comfortable doing this, or have any further questions, please contact the Head of Year via phone or email.

Any information that is given to us will be treated sensitively and no information will be shared without your knowledge.

Yours sincerely

Mr I Humpage
Assistant Headteacher
