Dear Parent/Carer,

It is with great excitement that we prepare for your child to embark on the next step in their school journey at St. Joseph's RC High School as they join Year 8 in September.

I would like to take this opportunity to introduce myself. I am Mr Seghiri, Head of Key Stage 3, and will be working closely with Mrs Richards, Head of Year 8, to ensure your son/daughter continues to make excellent progress at St. Joseph's RC High School.

I understand that many young people may feel a mixture of excitement, fear and nerves as they get ready to return to school after the summer break. Our priority will be to ensure your son/daughter feels comfortable and safe in their school environment, whilst we continue to support academic progress through their time in St. Joseph's RC High School.

We have the highest aspirations for every one of our students and are here to support, challenge and nurture your child to reach their full potential. My expectations are clear: students should maintain excellent attendance and punctuality, as well as high standards of behaviour and enthusiasm for learning. But above all, I expect students be polite and respectful towards one another, championing each other's successes - Together Everyone Achieves More.

We look forward to continuing our partnership with you, working together to ensure your child receives the very best education, and along with your support, we hope to produce some of the best academic and pastoral outcomes possible.

If there are any issues you would like to discuss regarding your child's progress, concerns or general enquires then please do not hesitate to contact Mrs Richards or myself.

I am sure that your child will have a wonderful time in Year 8, and I am looking forward to sharing their continued successful journey through secondary education.

Yours faithfully,

Mr Seghiri
