Dear Parent/Carer,

Re: Important Year 8 & 9 Assessment Information – Monday 26th September – Friday 7th October 2022

In school, we wish to assess all our students to see what their needs are and how we can best help them learn and achieve. As part of this process, students in Year 8 and 9 will sit low stakes assessments between 26th September and 7th October.

- These assessments will give teachers and students vital information on areas of strength, weaknesses, and misconceptions at an individual level.
- All revision materials such as checklists, practise questions and revision guidance has been provided for students. Please see below my Parent Guide on what students have been given to revise, which should help your son or daughter prepare.
- Students should also ensure they have the correct equipment for the internal assessments, please see the list below. Please note we will not be supplying any equipment for students.
- The results of these assessments will be shared with you on your child's progress report. These will be sent during the week commencing Monday 24th October.

We can assure you that we will do everything we can to help your child progress and improve their understanding of the material they have been taught. Completing these assessments to the best of your son's/daughter's ability will help them to do so.

Thank you for taking the time to read through this information, which I am sure you will find invaluable for supporting your son or daughter for these internal assessments.

Yours faithfully

Mr T Seghiri
