Dear Parents/Carers

Re: Inappropriate Use of Social Media

Unfortunately, it has come to our attention that social media accounts have been set up on platforms such as TikTok. I would like to thank those parents/carers that have shared this information with us.

Recent incidents have involved inappropriate posts and videos being uploaded to such accounts that are offensive, discriminatory, or defamatory. Such posts cause distress and are not in keeping with our school ethos.

We would kindly request that you speak to your son/daughter and remind them of the dangers associated with the misuse of social media in this way and that activity of the kind described above could lead to serious sanctions in line with our behaviour policy.

You may also wish to check your child's devices/social media accounts to ensure any inappropriate videos, pictures or other content is deleted. We will continue to monitor social media channels including TikTok and will take action as and when appropriate.

We are very fortunate as a school to have supportive parents/carers, with strong parent/carer and school relationships something we are passionate about. We continue to be grateful for the support we receive from all parents/carers.

Yours sincerely

Jane Morgan
