SERVING GOD THROUGH LEARNING TOGETHER

YN GWASANAETHU DUW TRWY DDYSGU GYDA'N GILYDD

Congratulations

“Resilience is all about being able to overcome the unexpected. Sustainability is about survival. The goal of resilience is to thrive.” **J Cascio**

**Mrs J Jarrett,
Headteacher**

We are so pleased to have all our students back in school and delighted they have returned to start the new academic year full of good resolutions.

In particular, a St Joseph's welcome to our new Year 7 and Year 12 students who have made a fantastic start. Thank you to all our parents and carers for preparing your children so well for their return to school; it has made a real difference.

Reflecting on the last 18 months, it is an understatement to say that it has not been easy.

We recognise the difficulties you faced in supporting your child's learning at school. You were juggling the practical issues of home technology and internet sharing alongside managing the emotional stress of being isolated from activities, friends and wider family.

In school, teachers and teaching assistants learnt a lot during periods of lockdown and year group self-isolation, including becoming masters of virtual teaching and learning technology! A few of the changes that were imposed upon us have turned out to be useful ideas that we will want to keep.

Throughout all of this, our teachers had to prepare our exam students for teacher assessed grades. Our school vision statement "Serving God Through Learning Together" was certainly at the heart of everything we aspired to do for each member of our community and in particular our exam students. We could not have been prouder of our exam students who faced the new challenges teacher assessed grades brought with great maturity, pragmatism and optimism. As a group of young people, we are immensely proud of them. We are proud of who they are and who they will become. This edition of Insight is a celebration of their wonderful success and I hope you enjoy reading it.

Welcome to our new Year 7 pupils

I am delighted to see how well our Year 7 pupils have settled into their first term at St Joseph's RC High School.

The pupils have certainly impressed us and their appearance is superb, as they are adhering to our school uniform code. Behaviour has also been excellent, both in lessons and around the school and it is quite clear to see Year 7 pupils have a fabulous desire to learn and reach their full potential. They are embracing new experiences and they are certainly enthusiastic in their approach to their new life at high school.

It has been particularly encouraging to see how supportive the pupils have been of each other, in what can be a very daunting experience starting their secondary education. It has been lovely to see new friendships being forged and old friendships valued.

The pupils have been extremely keen to engage in lunch time and after school clubs that are now up and running again. Furthermore, there has been a great deal of interest in our School Leadership roles within the year group.

Overall, it has been an excellent start and I am pleased to see how determined the students are to make the most of the opportunities St Joseph's has to offer. The excitement and determination to succeed can be seen in the sheer volume of praises Year 7 are achieving each week and it will be exceptionally pleasing to see this enthusiasm maintained throughout this academic year and beyond.

Mrs Richards, Head of Year 7

Year 11 Success

Llwyddiant Blwyddyn 11

A message to all of our Year 11 students! Before we even look at your exam results, it is very important to celebrate you as excellent individuals that have collectively had a very positive impact on our school. Your commitment, passion and enthusiasm have permeated all aspects of school life and you have created a very lasting and tangible legacy. You all progress on your different pathways as kind, compassionate, charitable, and loving people that will make a positive difference in the world, and we all know there is nothing more important than that. Your talents in music, drama, sport and so many other areas are also incredible, and we hope and pray that you continue to develop and share these in your life moving forward. Individually, you have all shown such grit and determination in the face of real challenges, but your excellent relationships with your friends, peers and teachers have made the real difference. Of course, we now need to celebrate the academic progress you made over the five years from Year 7 but never lose sight of the type of person you are and what you do for others, as this is the real mark of excellence.

Everyone of you has shown excellence and made a positive difference and we thank you for this. We also wish you all the best moving forward into Sixth Form, college, apprenticeships and employment. Congratulations from all the staff and pupils in our school.

Year 11 - Excellent academic results

We are incredibly proud of the achievements of all of our pupils, whose hard work throughout their school career earned them the GCSE success we celebrated in August. This year, a staggering 39% of pupils achieved five or more A*/A grades and 75% achieved five or more A*-C grades, including English and Mathematics. We are also very proud that 99% of pupils achieved five or more A*-G grades and no pupil left without qualifications. These are truly fantastic results demonstrating excellent pupil progress and the continuing, committed partnership between home and school. An enormous well done to all our talented and conscientious pupils.

Some of the highlights from across the year group:

As well as the GCSE grades, it is also interesting to note the Capped 9 score. This is the total number of points achieved by pupils across their best 9 results, including English Language and Maths. Congratulations to all these pupils - the grades they were awarded are testament to the hard work they put in throughout their studies. We are confident their excellent academic achievement is the start of things to come... A*s =58 points, A=52, B=46 etc.. falling by 6 points for each following GCSE grade.

18 Pupils with 9 or more A*s including English Language and Maths and a maximum capped score of 522

Jasmine Hunter	12
Finley Arcos-Archard	11
Louise Castillo	11
Olivia Clarke	11

Kaci Sheridan

AS/A LEVELS

A Level Success

In what has been the most tumultuous two years for our Upper Sixth Form students, we are thrilled with their performance in the assessments and the results they achieved.

They should all be justifiably proud of what they have accomplished and excited by the prospects of their next steps. Not only this, but the growth in their resilience and determination should also be celebrated. 39% of grades were awarded at A*/A and 79% at A*-C.

These are a reflection of their work ethic and commitment to their futures. Notable individual academic success must be recognised in the following students who all achieved 2 or more A* grades: Tanish Amran, Dylan Chua, Connor Cooper, Annalisa Crolla, Codie Holland, Daria Horzela, Sultan Javed, Elena Kingston, Olivia Kingston, Mateusz Kuczynski, Leo Lai, Grace Larsen, Jelena Lazic, Zaid Mathieson, Rona Roy, and Giovanna Thomas.

We wish all of our Year 13 students every success and happiness in their next steps.

AS Level Success

Even though the AS results this year will not count towards the overall A Level grades, our students recognised the importance of learning and understanding the work covered so that they will be in a better position to achieve in Year 13.

In another very difficult year for these students, they have excelled in their academic and individual performance and look set to build on these results at A Level. Notable academic success includes the following students who all achieved a minimum of 3 A grades: Hannah Abraham, Francesca Barton, Nathaniel Buendia, Christopher Chan, Albert Chua, Gwen Donaldson, Maria Emmanuel, Jacob Evans, Makary Gil, Ewan Hurley, Isabelle Hurley, Glemin James, Charlotte Jones, Jonah Jones, Amelia Kunje, Ignacio Lozano Romer, Ann-Mary Lukose, Alexei Maiorov, Shannon Micallef, Niamh Middleton, Niamh Mulcahy-Jones, Luke Navarra, Peter Nunez, Danielle Paciello, Mackenzie Payne, Taomi Payne, Aniera Perry, Katie Porretta, Riya Rose Reji, Anson Sebastian, Sonu Shibu, Agnes Sunil, Rhys Thomas, Ebin Toly, Ebony Tomei-Baker, Cyril Varghese, Alessandro Vellucci-Senior, and Dylan Westerberg.

We wish all our Year 12 students the very best of luck for their Year 13 studies.

2021

Pupil Destinations Llwybr Dyfodol Disgyblion

A huge congratulations to all our alumni Sixth Form pupils. We wish them success and happiness whichever pathway they have chosen...

Dino Abraham reading Mechanical Engineering at Coventry

Olivia Tuzyk reading Law at Bristol

Joseph Vellachalil reading Mechanical Engineering at Coventry

Garen Weaver reading Psychology at Swansea

Jack Welch reading Law at Bristol

Olivia Williams reading Business Management at Liverpool

Kevin Wilson reading Mechanical Engineering at Cardiff

Tayla Winstone reading Nursing at UWE Bristol

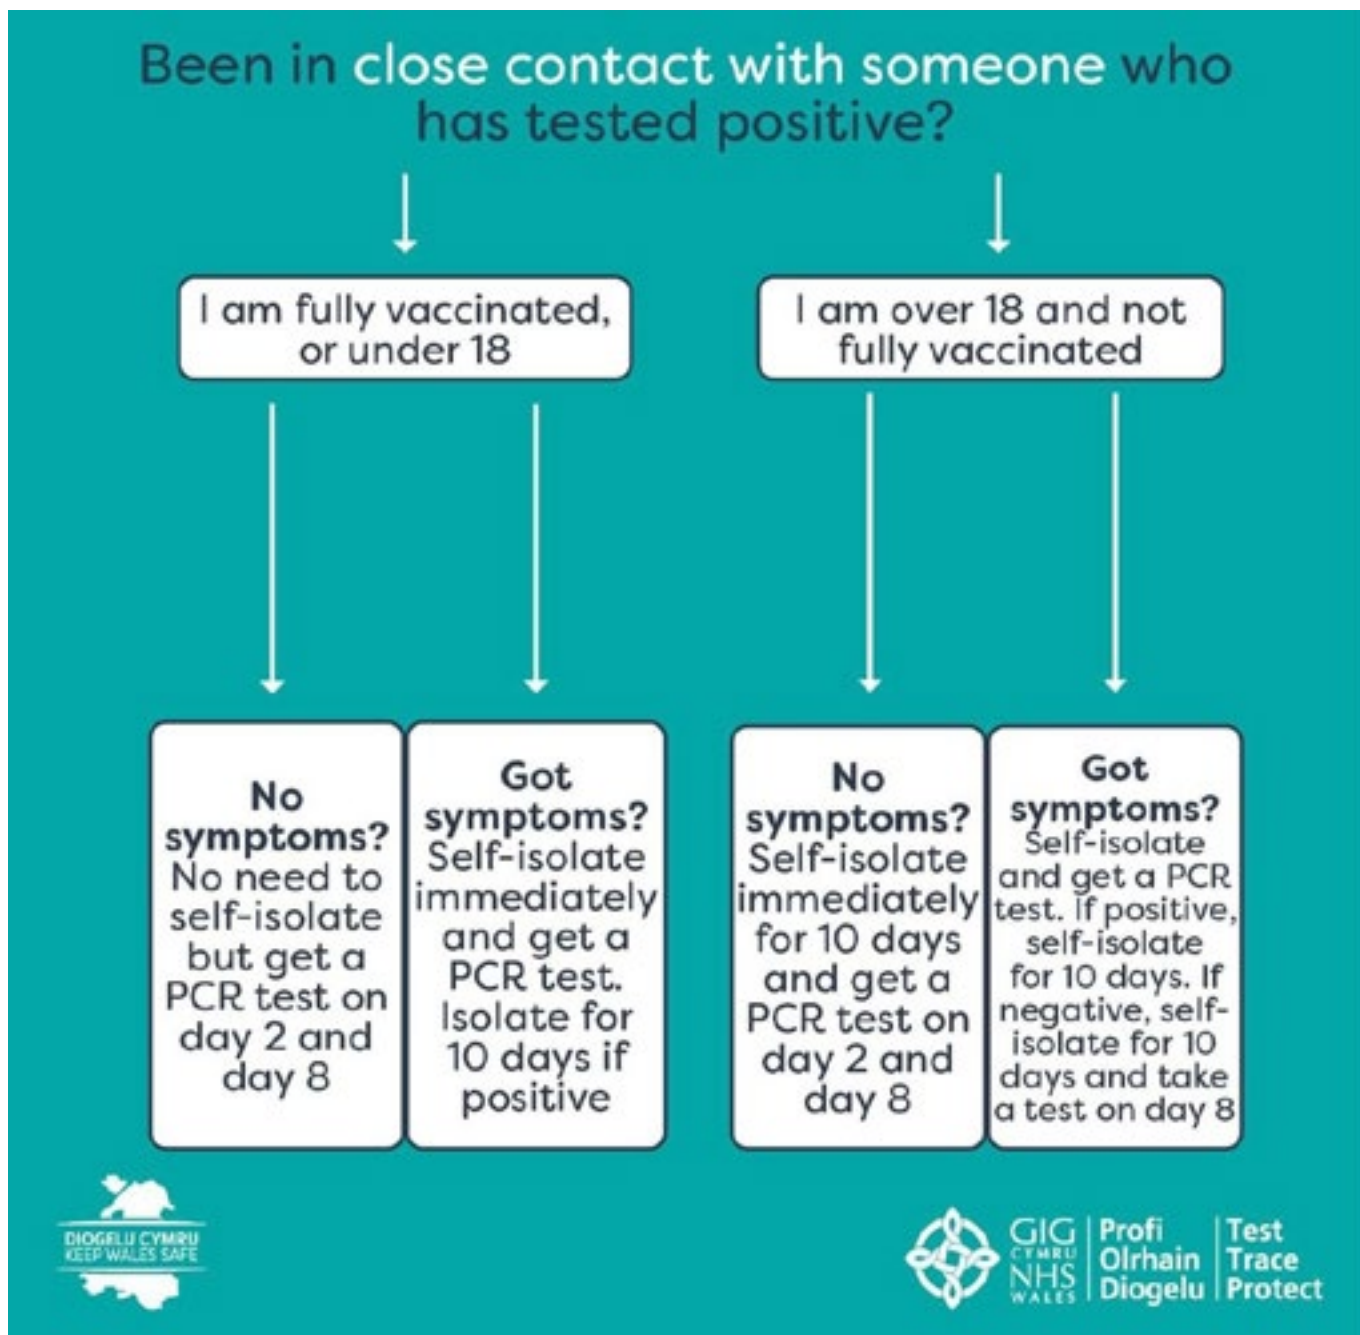

Madeline Wood reading Physiological Science at Bristol

Lauren Wrozyna reading Criminology and Criminal Justice at USW

Best foot forward:

We are all very grateful for our pupils, parents, staff and wider community for endeavouring to keep us and our school as safe as possible. Our one-way system is taking some getting used to, but a big thank you to all the pupils for following the arrows (!) and no-entry barriers and to all the staff members patiently standing on duty directing anyone that gets a little confused.

As the guidelines change and adapt, then so do we. Following Welsh Government guidelines, these are the current instructions (*as of 20th September 2021*) for close contact and what to do next. If you receive a letter via SchoolComms please follow the diagram below, if you are in any way confused, please call us and we can try and advise you with your next step forward.

WELCOME TO THE SIXTH FORM

We are thrilled to welcome our new Year 12 students into the sixth form at St Joseph's.

Even though this is going to be a very different year for them, we know that they can achieve great things and follow in the footsteps of our incredibly successful year 13 students. Many have already registered for additional online courses to help their future plans, and the SEREN group is up and running.

Year 13 have continued their excellent performance record, and UCAS applications are already well underway.

Keep up to date on apprenticeships, information downloads and important dates in the Sixth Form sections of our website, UCAS or on your Twitter page @sjhs6form

Look at your Google Classrooms everyday. They are full of essential information about lessons, homework, independent study, UCAS, career opportunities and more.

You should be now have codes for all of your classes. If not please check our website and download the list.

Year 13

kgvhrqq

Introducing our new Head Pupils:

We would like to congratulate all our new head pupils on their new role. We are very proud of them.

Makary

I returned to Sixth Form to help me pursue medicine at university, but I am also greatly intrigued by the subjects I study which would have compelled me to return even if I did not have a specific career in mind.

Luke

I hope I can make a difference in this school and that through hard work and perseverance anyone can. I look forward to the challenges that face me and I will work hard to make sure that I am a proper role model for the younger year groups.

Niamh

I knew that I wanted to return to St Joseph's for Sixth Form as there is a lot of support available regarding university and career options. I want to go on to study Law at university, so I'm most looking forward to seeing what different universities have to offer and to starting the process of becoming a solicitor.

Tasiane

I came back to Sixth Form for two main reasons: one, is the atmosphere and love all around us in the Sixth Form and two, Sixth Form is the next major step I need to take to fulfill my journey. It's all about preparation and Sixth Form will prepare me for the world of work. I am looking forward to the number of challenges waiting for me.

Katie

I chose to return to Sixth Form because having been in St Joseph's since Year 7, it was the best place for me to continue my education. I'm currently studying Biology, History and English Language and Literature. I intend to apply to go to university to pursue the next exciting chapter of my life.

Annmary

I can't wait to continue my studies in the hope of becoming a dentist! I have many memories I hold dear made at St Joseph's and I've become the person I am today due to the interactions I've had with my friends or the teachers here. This school has moulded me, and while it may be my last year here, I hope that I continue to thrive and grow, and St Joseph's continues to nurture our minds.

Rhys

I'm privileged to be the Head Boy at St Joseph's. I'm currently studying Maths, Biology, Chemistry and WBQ at A Level with aspirations to study Medicine in the future. This year I am leading the Medical Society of St Joseph's. I aim to inspire and guide students to work towards their goals. My best piece of advice is to never leave something for tomorrow that can be done today.

WHAT'S NEW? 2021

So what's new at St Josephs?

Miss S Murray
Teacher of English

Miss N McCarthy
Teacher of RE

Mr A Jones
Teacher of English

Miss N Adams
Teacher of History

Mr S Geeves
Teacher of Physics

Mr T Simmonds
Teacher of Technology

Mrs J Howells
Teacher of Maths

Mr L Watts
Teacher of PE

Miss E Cooper
Teacher of MFL

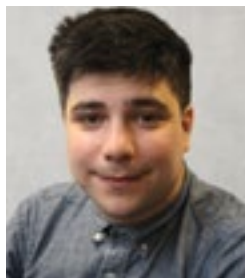

Mr D Walshe
Teacher of PE

Mr J Ward
Teaching Assistant

Mr L Conibeer
Teaching Assistant

Mr Z Zarebski
Cover Supervisor

Miss C James
Cover Supervisor

Let's welcome some great new teachers, teaching assistants and cover supervisors to the St Joseph's family.

Congratulations to Mr Ryan on being seconded on to the Senior Leadership Team as an Assistant Headteacher.

As you can see from the photos, there are lots of new things to see around the school - a new outdoor gym, new classrooms, electric vehicle charging point, new minibus, Canteen Outdoor Pod, outdoor seating areas and much more. A huge thank you to Mr Foster and his wonderful site team for making this all happen over the summer break

Product	Product Details		Product Features		Product Benefits	
	Product Name	Product ID	Product Type	Product Category	Product Description	Product Image
Electronics	Smartwatch	SW-001	Wearable	Smartwatch	Smartwatch with fitness tracking and heart rate monitoring.	Smartwatch
	Wireless Earbuds	WE-002	Audio	Wireless Earbuds	Wireless earbuds with noise cancellation and long battery life.	Wireless Earbuds
	Smart Home Hub	SHH-003	Smart Home	Smart Home Hub	Smart home hub with voice control and integration with various smart devices.	Smart Home Hub
App	Product A	APP-004	Mobile App	Mobile App	Mobile app for productivity and task management.	Mobile App
Software	Product B	SW-005	Software	Software	Software for data analysis and reporting.	Software
Hardware	Product C	HW-006	Hardware	Hardware	Hardware for network security and monitoring.	Hardware
Services	Product D	SRV-007	Services	Services	Services for cloud storage and backup.	Services
Books	Product E	BOOK-008	Books	Books	Books for personal development and self-improvement.	Books
Music	Product F	MUS-009	Music	Music	Music for relaxation and entertainment.	Music
Games	Product G	GAME-010	Games	Games	Games for entertainment and fun.	Games
Education	Product H	EDU-011	Education	Education	Education for learning and skill development.	Education
Health	Product I	HEALTH-012	Health	Health	Health for fitness and wellness.	Health
Travel	Product J	TRAVEL-013	Travel	Travel	Travel for exploration and adventure.	Travel
Food	Product K	FOOD-014	Food	Food	Food for nutrition and taste.	Food
Beauty	Product L	BEAUTY-015	Beauty	Beauty	Beauty for skincare and cosmetics.	Beauty
Home	Product M	HOME-016	Home	Home	Home for furniture and decor.	Home
Automotive	Product N	AUTO-017	Automotive	Automotive	Automotive for transportation and mobility.	Automotive
Business	Product O	BUS-018	Business	Business	Business for productivity and efficiency.	Business
Finance	Product P	FIN-019	Finance	Finance	Finance for investment and savings.	Finance
Healthcare	Product Q	HEALTHCARE-020	Healthcare	Healthcare	Healthcare for medical and health services.	Healthcare
Energy	Product R	ENERGY-021	Energy	Energy	Energy for power and electricity.	Energy

Blended learning will continue to play a very significant part in your child's progress for the next academic year and onwards throughout their education. Each class in each subject have their own unique class code (see thumbnails provided on this page for links to all year group codes).

At St Joseph's RC High School, we use Google Classroom:

Main features for our students are:

Assignments: this allows students to HAND IN work and for teachers to comment, mark and return.

Material: this allows students to access a range of material to include Google Docs, Google Sheets, all Microsoft documents, pdfs, YouTube, videos, etc.

Question: students can reply to each other or the teacher.

Quiz: students can answer and submit.

If you encounter any technical issues when logging into SJHS Google Classroom, please contact IT Support in the first instance:

techsupport@sjhs.newport.sch.uk

Dates for your diary 2021
