Charging and Remissions Policy - Pupils

PURPOSE OF POLICY

The purpose of this policy is to set out what charges can and cannot be made for activities in St Joseph's RC High School? The policy has been drawn up in accordance with Sections 449-462 of The Education Act 1996 which sets out the law regarding what charges can and cannot be made for activities in schools maintained by local authorities.

CIRCUMSTANCES WHERE THE SCHOOL MAY CHARGE PARENTS/CARERS

Optional Extras

Charges may be made for other activities known as 'optional extras'. Where an optional extra is being provided, a charge may be made for providing materials, books, instruments or equipment as follows:

Education

- Activities which take place mainly or wholly out of school time if they are not part of the National Curriculum, not part of a syllabus for a prescribed public examination that the pupils being prepared for at the school and not part of Religious Education.
- Materials used in practical subjects and project assignments provided parents/carers have agreed in advance that they or the pupil wish to keep the finished product eg ingredients or materials.

Music Tuition

- A termly charge agreed by the Governing Body on advice from the Gwent Music Service for students choosing music tuition and income collected directly from parents / carers by the Gwent Music Service.

Transport

- Transport that is not required to take the pupil to school or to other premises where the governing body have arranged for the pupil to be provided with education.

Examination Fees

- The examination is on the set list, but the pupil was not prepared for it at the school.
- The examination is not on the set list, but the school arranges for the pupil to take it.
- A pupil fails, without good reason, to complete the requirements of any public examination where the governing body or LA originally paid or agreed to pay the entry fee.

Board and Lodgings

- The cost of board and lodging for residential trips, even when taking place largely during school time. (Pupils whose parents/carers are in receipt of certain benefits are exempt from paying the cost of board and lodging, see page 4).

Voluntary Contributions

Although schools cannot charge for school time activities, voluntary contributions may be sought from parents/carers for activities which supplement the normal school curriculum.

Requests to parents/carers for voluntary contributions will state that:

- there is no legal obligation to make a voluntary contribution,
- pupils will not be excluded through parents'/carers' inability or unwillingness to pay,
- pupils of parents/carer who cannot contribute will not be treated any differently, and

Charging and Remissions Policy - Pupils

- where there are not enough voluntary contributions to make the activity possible and there is no way to make up the shortfall, the activity will be cancelled.

Requests made for voluntary contributions made in respect of individual pupils must not include any element of subsidy for any other pupils wishing to participate in the activity whose parents/carers are unwilling or unable to pay the full charge.

The school is conscious of the fact that it can be difficult for parents/carers to make voluntary contributions for their children to take part in activities, and, where this is the case, the school would not want to disadvantage a child and would make very effort to ensure that the child can participate.

Breakages and Damage

Where a pupil's behaviour results in damage to school property or equipment, parents/carers may be asked to pay for the necessary repair or replacement. Each incident should be dealt with on its own merit and at the school's discretion.
