

# School Safety

---

Everyone's business

SSS  
SAFETY  
FIRST!

# School Safety

- If you were to go onto a construction site there would be lots of warning signs telling you what you must do for Health and Safety reasons.
- Why do you need to be thoughtful?

# School Safety

- When you learn to drive you need to remember all the different road and motorway signs so that you and other road users are safe.
- Do you recognize some on the right hand side?

# School Safety

- When you go to the seaside there are clear warning signs about bathing/swimming in the sea.
- What could go wrong?
- What do you need to think about?

# School Safety

---

- When we come to school we also need to be thoughtful and consider what could go wrong and what we can ALL do to stay safe.
- There are some very basic rules that EVERYONE has to consider, can you name them?
- Starter- Walk on the left

# School Safety

• Think about some of the lessons that you go to.  
How do you stay safe in;

- PE
- Technology
- Science
- Art
- Computer Science

A young woman with long brown hair, wearing a school uniform, is sitting on a school bus. She is looking down at a book she is holding. The bus interior is visible, with yellow handrails and blue seats. Other students are blurred in the background.

# School Safety

What about waiting for the school bus, getting off the bus and travelling on the bus?

A photograph of four school students in uniform walking along a paved path. From left to right: a girl with dark hair, a boy with short brown hair, a girl with long brown hair, and a boy with short brown hair. They are all wearing dark blue blazers, white shirts, and striped ties. The girls are also wearing plaid skirts. They are walking towards the camera and smiling. The background shows a brick wall and some greenery.

# School Safety

- A lot of safety is about common sense and thinking of others not just yourself;
- Do not run in corridors
- Line up sensibly
- Wait your turn
- Follow instructions first time
- Do not push others
- Don't show off

# School Safety

- School is our home for the day so;
  - Take care of our facilities
  - Look after yourselves
  - Respect other people
  - Show good manners
  - Be proud of what we have
  - Listen to instruction first time
  - Be a great role model
