

Rail Safety

Rail Safety

Due to the very high level of trespassing on the tracks by young people in our local area, Network Rail in partnership with Learn Live are working to help raise awareness to students across the UK educating them about the dangers of the train tracks through interactive digital delivery.

Rail Safety

Network Rail has asked the school to share the relevant safety video with you to show before and after school/college breaks, as this is when Network Rail consistently see a spike in trespassing.
